6. **Parishioner's Forum**

A parishioner expressed disappointment that not more people have come forward to help the various parish organisations. Disappointment that there had been an incident of dog fouling on the playing field.

Cllr Read gave an overview of the planning workshops she and Cllr Powell have been attending with a view to developing a Neighbourhood Plan, as at present Tivetshall is vulnerable without such a plan. She explained that the PC will need help from parishioners to achieve this. Once an emerging neighbourhood plan is in place then this has to be taken into consideration by planning authorities.
7. The meeting closed at 8.10pm. The Chair invited everyone to stay for refreshments which had been provided by the PC.
